Seasonal vaccination

Protect yourself and others – get vaccinated!

- at Tõnismäe Polyclinic on Mon-Fri from 08:00-16:00, in room TP0203.

Pre-registration is required at www.terviseportaal.ee or by calling +372 666 1900.

Vaccination with free vaccine only:

- people aged 60 and older (born in 1963 or earlier)
- children aged 6 months to 7 years (born in 2016 or later)
- pregnant women

You can be vaccinated seasonally against the coronavirus COVID-19:

- at Tõnismäe Polyclinic on Mon-Fri from 08:00-16:00, in room TP0203.

Pre-registration is required at digiregistratuur.ee or by calling +372 666 1900.

We vaccinate against COVID-19 with the Comirnaty Omicron XBB1.5 vaccine. COVID-19 vaccination is free for all people living in Estonia, including those without health insurance.

[See also about the possibility of vaccination.](#)

Be healthy!
