Spinal surgeon's appointment

A spine surgeon is a specialist doctor who is focused on the treatment of spine pathologies in both adults and children.

A referral from a family or specialist doctor is required to attend the appointment! Appointments are also available [for a fee](#) without a referral and with a shorter waiting time.

You can also consult with a spinal surgeon through e-consultation by contacting your family doctor or specialist. We will respond to your inquiry within a maximum of four working days. If it becomes evident after the e-consultation that the patient requires a specialist appointment, we will contact you ourselves and schedule an appointment.

Appointments can be booked:

- Health Portal <https://www.terviseportaal.ee/en/>
- by phone [666 1900](tel:6661900) **Mon-Fri 7:15-18:00**
- at the reception
